Additional information on picking up badges will be sent in advance to the participants.

In order to pick up their badge, the participant should present an identification document (passport or diplomatic card).

Access to the venue is strictly subject to availability of a badge.

7. INFORMATION FOR INCOMING PARTICIPANTS

7.1. Measures to Prevent the Spread of COVID-19 at the Event Venue

In accordance with the rules established in the Russian Federation in order to prevent the spread of COVID-19 the following measures are considered to be taken:

- Foreign citizens taking part in the event must present a medical document (in English or Russian) confirming that they have tested negative for COVID-19 with a PCR test carried out at least 72 hours before arrival in the Russian Federation. Sanitary and quarantine control measures will be performed upon entry into the Russian Federation.

- Participants will be subject to body temperature checks at the entrance to the venue (entry will be denied to anyone with a temperature above 37,1 degrees Celsius).

- Before the event, the venue will be cleaned using chemical disinfectants (according to the instructions for use).

- Air sanitizer units will be in operation in the rooms.

- Wherever possible, participants, personnel, media representatives and other persons taking part in the events will be arranged/seated at safe distances from one another.

- Entrances to the building, meeting room, dining hall, etc. will be equipped with hand sanitizer stations.
- Meeting participants, organizers and staff will be required to wear PPE for the duration of the event.

7.2. Information on accommodation, booking and cost of accommodation in Sochi

The relevant information can be found in Appendix 3.

7.3. Visa support for participants

Appendix 4 provides general information about visa requirements for foreign citizens of the participating States for entering the Russian Federation.

7.4. Luggage and items prohibited for carriage

Airlines operating in the Russian Federation strictly regulate restrictions on luggage size and weight. Participants are advised to familiarize themselves with the air transport rules on the airline's website in order to avoid additional expenses. In the check-in area, passengers can use a luggage packing service.

For the safety of passengers, certain items and substances are prohibited for transportation on board. The amount of liquid in hand luggage may also be limited.

7.5. Additional information for incoming participants

Sochi Airport is located in the Adler District of the resort city of Sochi. It is an international airport accepting all types of aircraft. It has two passenger terminals, two runways, and advanced equipment for screening passengers and luggage. The airport network includes 60 domestic and foreign destinations.

In 2017, the airport was ranked in the top 20 airports globally by the world's leading aviation magazine International Airport Review.

More information can be found on the Sochi Airport official website.
